

Project Prioritization and Selection Process Survey

The Hampton Roads Transportation Planning Organization (HRTPO) has developed a survey to gather public opinion and thoughts on the importance of certain transportation project criteria for the Project Prioritization and Selection Process methodology currently being developed. This survey is available through **September 30, 2009**. Results will be tabulated and available to the public. The survey should take approximately 15 minutes:

Click on the shield to the right or the link below to be taken to the survey.
