

NATIONAL NIGHT OUT

July 28, 2011

The Hampton Roads Crime Prevention Association is an organization that works with citizens, organizations and businesses to devise and implement strategies towards the overall reduction of crime is an active advocate for National Night Out. We support and celebrate National Night Out, by sending messages to criminals letting them know that neighborhoods are organized and fighting back.

The 28th National Night Out (NNO) is a unique crime and drug prevention event sponsored by the National Association of Town Watch and your local Law Enforcement. They are celebrated with block parties, cook outs, parades and flashlight walks. The City of Chesapeake and Norfolk will be celebrating NNO on **August 2, 2011**. Due to extreme heat in the month of August and because October is Crime Prevention month the following localities will celebrate NNO on **October 4, 2011**: Portsmouth, Newport News, Virginia Beach, Williamsburg/Poquoson and Hampton.

For further information contact your local law enforcement Crime Prevention Units.
