FREE FIREWOOD

The Portsmouth Sheriff's Office is giving away Firewood !

Our Inmate Work Crews have cut down several trees throughout Portsmouth and have been working on splitting it. As you can see they have been pretty busy. Sheriff Watson would like to help to offset some of the heating cost some people may face. If you know of someone on a fixed income, elderly, handicapped, or just laid off from work, who is facing hard times, call us. If you are in need yourself, call us. You can reach Lt. C. Ashberry or Sgt. G. Rowland at the Work Center at 393-5280. We will be glad to deliver the wood to their/your home and stack it for them/you. This is not a onetime offer. As we are cutting down trees, we will have more to distribute.
