

Look, I'm no Poop Fairy.

I can't help it if I have to poop outside.

I don't know how to use a toilet.

Listen, the bottom line is poop pollutes.

Neighborhoods, the beach, rivers, streams and lakes.

Really, there's just no such thing as a Poop Fairy.

So do the right thing, because only you can scoop the poop.

HRStorm logo to come

SCOOP THE POOP.
